God Story:

- We had a drive through for our "David's Table Family Garden". Our friends came by to pick up 2 seeds to plant. They will bring them back as seedlings to plant in the garden. They also picked up a numbered Easter Egg. They were to keep them closed until our meeting last Monday evening. At our Bible Study we read passages from the Easter Story and at appropriate times, they would open that numbered egg and show what was inside. One had a small toy donkey, one had a piece of leather, one had a cross, etc. As we came to the end of the story and the last egg, anticipation had grown. "Open it, open it" they said. As we read Matthew 28:6-7, "Ohhh, it's empty," OOOOOO, IT IS EMPTY!!!
