

Cassie - Office Manager of a Non-Profit in West Africa - Desert.land2020@gmail.com

Prayers:

- Language learning & wisdom on how much time to spend on that.
- For a national friend to spend time with.
- To learn to live well with teammates & to have good communication in the team.
- For all the paperwork that is being done for me here: driver's license, bank account, residency and the Non-profit start up.
- Every Thursday we host a local Pastor and his family for dinner to get to know them and to assess possible partnerships.

God Story:

- Twice we thought our power lines were cut (which is what happens if you don't pay the bill, even when a bill is never sent out). So twice we have gone 3-4 days without power. After asking a few nationals how to fix the problem, we learned that power works on credit and we simply needed to purchase more credits when the power runs out. After a few trips to the power company, and a lot of help from some nationals, we finally have a better understanding of how the system works. We even learned how to buy our power over an app! Praise God for patience and the national helpers.

Prayers:

- Pray for continued spiritual conversations with Lilly & that she would accept Christ.
- Pray for around 20 students to join us in Orlando, June 14-21 for a discipleship training program.
- Pray for me as I seek to balance being a wife, a college minister, & a mom to an increasingly-active 8 month old!

God Story:

- Aslyn, the girl who accepted Christ two months ago, texted me to meet up with her and her roommate Lilly. "She's been asking me spiritual questions and I would love for you to help me share the Gospel with her!" The 3 of us met and I was able to share about my spiritual journey and how the Gospel has impacted my life. At one point Lilly said "I am so thankful for Aslyn. She has been teaching me what Christianity is all about. I've never met a Christian like her!" Praise Jesus for Aslyn who is a brand new believer & already sharing her faith with her roommate!
