### Prayers:

- Pray for our clients who are new believers & that the Lord would stir up peace, love, and joy in their hearts.
- Pray for clients who feel abortion is their only option & for the volunteers who meet with them to be strong & courageous.
- Pray for the 30 clients who graduated from our E3 Parenting Program and now have little ones at home.
- Pray for wisdom and guidance as we continue to plan & organize our upcoming Born to Run 5K at BJU on May 15.

### God Story:

- Last month, a former client brought in a donation in honor of her son's birthday. She came to PWC when she became pregnant 14 years ago. At the time, she was a college student and considered abortion, but knew it was wrong. She came to PWC for a pregnancy test and an ultrasound and decided to parent the little one she saw on the ultrasound screen that day. She said the calls she got from PWC during her pregnancy were encouraging and well timed. To God be all the Glory!

- Pray for Ashley as she is helping to lead a local women's ministry. God is using her to bring new wine into the mix.

### God Story:

- Several neighbor girls have been hanging out at our home over the past months. We often talk about Jesus in our home and at times shout unto the Lord. The girls didn't know what to make of our joyful noise at first, but lately they have been praising the Lord with us. They have joined in on our family Bible time & prayer walks. Pray for Molly & Christina.

**Alton Lanier - West Africa Ministry -**  
*alanier@charter.net*

### Prayers:

- After postponing our last two trips, the Lord provided a way for us to follow-up with those whom we've shared the Gospel. Our translator answered questions & talked with elders, the Imam & sons of the chief reasoning with them about the Gospel.
- Some simply want to hear more, while secret believers yearn to be discipled & one still wants to be baptized.
- Join us in praying for these who are hearing and for our plans to return later this year.
