**Prayers:**

- Lilly, the agnostic student I mentioned last month, had a fall and a concussion. Her recovery has been difficult. Pray God would use this scary experience to draw her to Christ.
- I had asked that you pray for about 20 students to register for our summer discipleship program. We now have 23!
- Aslyn (who accepted Christ in January) got baptized on April 11. It was so sweet to be at her baptism alongside Cassie who was present when Aslyn accepted Christ.

**God Story:**

- Emily grew up in a culturally Buddhist home, she knew nothing about Christianity or the Bible. Her roommate, Abby, is a devout Christian who is involved in our ministry. Abby started sharing her faith with Emily from the very beginning. A few weeks ago the three of us started a 4 week Bible study in John. After the 2<sup>nd</sup> week, Emily called another CO teammate and prayed to receive Christ! She said the joy she felt was immediate. Her life is changed. Praise Jesus for team ministry! We continue to meet weekly to study the Bible & the change in her is evident.

**Prayers:**

- Pray God will send someone to lead worship on a regular basis.
- We would like to start a midweek Bible Study in the mornings. Pray we would be able to reach others in the community.

**Prayers:**

- The Hispanic Family Retreat at Look Up Lodge will begin our month. Pray for us to follow up with people after the retreat.
- Pray for Sebastian and Tanya as they got married at the end of the Family Retreat.

**Prayers:**

- This year the Lottie Moon Christmas Offering hit a cumulative \$5 Billion (since 1845). Praise God for what He has done.
- Our family has all received the COVID vaccine which is helpful with all of the travel I have coming in May. Pray that as I meet with pastors we can look for ways to partner together for the Gospel.
- One of our Missionaries in Sub Saharan Africa has been on a ventilator for several months and the outlook was not good. A few days ago some Muslim Background Believers (believers in Christ who came from the Muslim religion) had a day of prayer for George. He woke up for the first time in months. Praise God.
