

June Missions Prayer Newsletter Part 2 of 4 June 14, 2021

Berkeley Bagwell Gomez - Campus Outreach, San Diego - bgomez@cosandiego.org

Prayers:

- Pray for our one-week summer discipleship program June 14-21 in Orlando, Florida. We have 26 students coming with us to learn how to grow in their faith and share the Gospel with others. We will be doing two evangelistic outreaches in downtown Disney. Please pray that our staff & students get to share the gospel with many who need Jesus!

God Story:

- The spring semester has come to an end & we are so thankful for how God worked! At our end of year bash on May 21st, Emily & Aslyn both shared how they gave their lives to Christ in the past few months. It was so sweet to hear their testimonies & praise God for the opportunity I had to be a part of their stories. Afterwards, one of our student leaders, Cassie, asked me for the John Bible study I have led. She said "That is a powerful Bible study and I want to go through it with my friend who needs Jesus!" Praise the Lord for new laborers being raised up in the spiritual harvest!

Bryce Staggs - Interim Pastor - Cedar Grove Baptist Church in Fountain Inn. brycestaggs@gmail.com

Prayers:

- We have started a new lady's Bible study, pray the Lord would open their hearts to the truths of Scripture.
- Pray Cedar Grove would continue to heal in their relationships with one another and look forward to what Christ will do.

Cassie - Office Manager of a Non-Profit in West Africa - Desert.land2020@gmail.com

Prayers:

- For the Lord to give us wisdom on the legal & financial side of the nonprofit. Pray the government will give final approval by June 20.
- For teammates arriving on the field in another city to arrive and adjust well.
- For the rains to come to help cool down.
- I have made a "Prayer Drive Video" to show my city and how you can pray for us. Email David@rockycreek.church.

God Story:

- This past month people are starting to truly welcome us and there is a small feeling of community and belonging. One Saturday the WMU ladies from our local church came to greet us at our house. They were super encouraging and welcoming. We got to participate in the 5 year anniversary of the Pastor. We "accidentally" stepped into the women's choir that day, so we joined in and had fun.

Holli Baker - Serving in Asia - bakerstoasia@gmail.com

Prayers:

- Praise God for helping us on this first leg of our travels. Please pray for our three kids as we will be traveling quite a bit during the month of June, trying to visit our current and potential supporters.
- We continue to ask the Lord to open the borders to Asia. Please ask that God would give us wisdom and discernment on when is the right time for our family to return to Asia.

God Story:

- In 2020 we are expecting to be able to go back into Asia. A remarkable answer to prayer is that we will be going into a city in the northern part where Rocky Creek has sent teams in the past. In fact, before Richard Kilpatrick (RC Member) died, he repeatedly asked when we would go to this city. God's timing is always right, so now when we return to Asia, we will get to work in this city that RC and Richard have worked and prayed in.
