Prayers:

- Pray for safe travels and wisdom as we plan to visit supporters on the east coast.
- For an organizational meeting with the new principal at Craycroft Elementary.

God Story:

- After a very long year, we were able to close the school year with two great celebrations with Craycroft Elementary. We provided the staff with gift cards and a waffle breakfast, and then provided 450 students and faculty with ice cream. The kids were overwhelmed. This was our first interaction with the student body.

Prayers:

- Pray for the Framingham Church as we try to restart our church life after a lot of Covid restrictions. We are now working on the minds & hearts of our people to come back to church.
- Pray for Precision Valley, the restrictions were less, but people are slow to return.
- We need wisdom and patience as we strive to move both churches forward.

Important Dates:

- 6/20 - Father's day at both churches
- 6/25 - Family night at PVBC

God Story:

- My trip to Brazil was a great blessing. It was the first time I have visited Brazil since moving my family to the US as missionaries. I heard very clearly God's voice confirming the move I made almost 8 years ago. I know it was God's Will for me to move to New England but as I stepped into Brazil, for the first time as a foreigner, it brought all kinds of mixed emotions and thoughts. Visiting my family and old friends was very nice, but I didn't have a feeling of belonging there any longer. Even though I had a blessed childhood, great memories and church family, I didn't feel at home there. My home is now in the USA.

GBA Prayer Partnership with North Okkalapar area in Yangon, Myanmar.

Prayers:

- Praise: 20 baptisms and 18 professions of faith have occurred recently.
- Almost an entire village came to faith in Christ. When the military came, they told the new believers they must convert back to Buddhism, but they said no. The military said they would have to pay a fine equal to a day's wage. They all paid it!
- Pray for the new believers to stay strong in their faith, for others to be bold in their sharing. Pray for the military coup to be undone and the rightly elected government to be reinstalled.
