**Chelsia Allison - Miracle Hill Ministry, Greenville SC - [callison@miraclehill.org](mailto:callison@miraclehill.org)**  
**Prayers:**

- Occupancy at our shelters has been low over the past months. This is likely due to the stimulus checks and tax refunds people have received. Pray people in need would come to the end of themselves, realizing their need for care and accept the help and care they need.

**Important Dates:**

- June 30 - end of our fiscal year

**God Story:**

- Renewal Wade Hampton, our new women's recovery pre-program facility, has officially opened! There are two ladies currently living in the home, along with Miracle Hill staff, and are working towards entering the Renewal program. The focus at Renewal Wade Hampton is stabilization, learning who God is and how much He loves them, and getting their hearts ready to begin the twelve-step program at Renewal. Please pray for these two ladies, and for all of the new intakes that will take place over the next few weeks.

**Prayers:**

- After 2 years of having to postpone, we have scheduled a trip in October. Much of this trip will be meeting with leaders and pastors of local Senegalese churches to see if we could partner with them.
- We will also get to step back into our villages to share the Good News, visiting with and praying for as many people as God puts in our path.

**God Story:**

- On May 15<sup>th</sup>, we hosted the Born to Run 5K. Here are some fun numbers: 714 people registered, 1,060 cups of water, 400 bottles of Gatorade, 200 granola bars, 300 bananas, 60 cheer posters & signs, 120 cowbells, 54 airhorns and 0 medical issues. God truly blessed our organization with a total fundraising amount of \$80,500! We are thankful for everyone who participated as a runner and as a volunteer, especially our Rocky Creek friends (well over 200 from RC) who joined us! To God be all the Glory!

- We have seen several people who are relatively hardcore atheists who are wrestling with God. Please pray for them.
- We have about 8 people in a weekly leadership program learning ministry principles for home and abroad.
- Our small groups have focused on sharing the gospel and are seeing new fruit.

**Prayers:**

- We are working hard on our discipleship program on Sunday mornings. 6 couples are pretty consistent and we are striving to help build them into strong disciples.
- We are taking baby steps with some of these in the group, helping them memorize the books of the Bible, how to pray, etc.
