### Prayers:

- For wisdom as we plan our Night for Life event in September. This will mark 30 years as a nonprofit, praise God.
- For more opportunities to connect with churches & organizations in the upstate.
- To soften & encourage the hearts of clients thinking abortion is the only option.
- Clarity & wisdom for staff & volunteers.
- For clients going through E3 parenting program and Bridge program.

### God Story:

- Last month an abortion minded couple from another country came to our clinic, referred to us by their doctor. He knew we were a good resource for this couple. When they left, they still believed abortion was their best option so all of our staff and volunteers gathered to pray for them after they left. There is mighty power in prayer! A week later we got a call saying they were choosing life and were going to parent the baby. An answer to prayer and clearly God's hand at work! "For where two or three are gathered in my name, there am I among them." Matthew 18:20
