

August Missions Prayer Newsletter August 16, 2021 Part 3 of 4

Greg Queen - IMB Church Mobilizer -
GQueen@imb.org

Prayers:

- Praise God for good health for the Queen family. Pray for Hope as she returns to school with a new teacher. Change can be difficult for her.
- Pray for meetings with church leaders. For wisdom in developing a template to share with churches about the Missionary Task and Sending Pipelines.

Holli Baker - Serving in Asia -
bakerstoasia@gmail.com

Prayers:

- At a recent organization meeting, we were told that there have been more baptisms this year than ever before and over 10,000 Bibles have been given out. Pray for the Holy Spirit to continue to lead our teams.
- While we wait to see when we can go back to our country, Holli will be serving with the Radiant Church School of Ministry to teach evangelism and discipleship. Praying some of these students will come to our Country one day.
- Ryan will be helping with the Radiant Church Coffee Shop. A Brazilian pastor once said of Ryan "people come in for a shot of espresso but leave with a shot of hope".

God Story:

- Several weeks ago Harper's friend Didi stepped on a nail and was in a great deal of pain. Harper sat down next to her, laid hands on her and began asking Jesus to heal her and take the pain away. It was such a sweet moment to witness.

Ron Davis - Woodside Baptist Church,
Greenville SC - rdavisgb@hotmail.com

Prayers:

- This has been a busy but good summer at Woodside. Fuge was a great success thanks to Kristen and her hard work. A lot of WBC members also got involved making name tags and checking in kids. We now have over 50 new contacts for the church. Pray for us as we seek to cultivate these into relationships.
- Woodside is starting to update things around the church also, working on the outside to increase curb appeal and most importantly our children's area. We have 3 work days scheduled.
- Please pray we will clearly understand God's will and plan for WBC.

Lierte Soares Junior - New England Triad -
liertejunior@bol.com.br

Prayers:

- Please continue to pray for Pastor Lierte and the churches he leads.

Skeeter Powell - David's Table, Greenville,
SC - skeeter.powell@gmail.com

Prayers:

- Too many of our friends and their families are struggling with illness - from Covid to cancer, and a few are looking at meeting with Jesus before He comes for us.
- Pray for the leadership as we work on our future plans.
- Praying for Camp David, Sept 10-12. This Family camp is for our adult friends with disabilities and their families to learn and grow as disciples of Jesus.

God Story:

- We have 3 families with temporary needs. Two dealing with cancer and another with a child who is too hard to handle. This is not just an un-disciplined child, but there is explosive anger, destructive actions, long term sleeplessness, and a single parent who needs to be able to work. And yet the family of God has gathered around and is supporting these families. To the point they are saying please don't bring any more food. Praise God for His Family loving on those in pain and allowing us to be His hands and feet.
